

***“Times in the beef industry they are a’ changin’.***

***This thought really came home to me after I spent the first part of last week in a “regenerative ranching” seminar with Zimbabwe native Johann Zietsman and with our newest blogger, Jim Elizondo.***

***Their curriculum is outstanding and I was incredulous the two men could pack as much learning into three days as they did.”***

**Alan Newport** - Editor of *Beef Producer Magazine*
